LOOSE TOBACCO

Sale Will be Held In Hopkinsville Next Thursday.

More Than One Hundred Hog-heads of The Weed Sold Here This Week.

About 100 hogheads of the weed were sold this week. The sales were private. The stock disposed of consisted of some long leaf, a few hogheads of lugs and considerable common and medium leaf. Unusual prices were realized, there being no change in the market since our last report. There were no cash receipts reported this week. Loose buyers are busy over the country, but purchases up to this time have not been large. Some new tobacco has been received and as the weather for the past few days has been very reasonable for handling the weed loose receipts are expected to increase materially in a very short time.

R. M. Woodridge & Co. will have a sale of loose tobacco on the floor next Thursday, December 4, when all of the buyers will be present. Woodridge & Co. extend a general invitation to the farmers to attend on this occasion.

BECKHAM MACHINE

Attempts to Order an Unlawful Primary Election.

Platter Taken into the Courts By a Temporary Restraining Order.

Frankfort, Ky., Nov. 25.—A primary to nominate the Democratic candidates for the nine State offices to be filled at the election in November, 1903, was called this afternoon by the State Executive Committee to be held on May 9. Within an hour after the reaching of this decision a temporary restraining order had been secured from County Judge J. H. Polagrove, of Franklin county, and pending a hearing and decision of this matter by Circuit Judge Cantrell no further steps can be taken by the committee toward preparing for a primary.

It is probable that the case will be heard by Judge Cantrell at Georgetown within the next ten days, and whatever his decision, an appeal will be made to the Court of Appeals by the losing side. It is likely, therefore, that a final decision will be reached before the Christmas holidays, which would be a month before the date fixed for the Subcommittee on Details to report back to the full State Committee.

The petition was filed in court by Charles M. Meacham, the executive committee man for the Second district, who with Ben D. Ringo, voted against the primary plan of nominations. The ground taken in the petition is that the State Committee has no authority for calling a primary; that said primary would entail an expense for which the committee men would be liable under the statutes.

The Injunction.

Franklin Circuit Court, C. M. Meacham, plaintiff, against the Democratic State Executive Committee of Kentucky, Allie W. Young, Chairman Democratic State Executive Committee; Percy Haley, Secretary Democratic State Executive Committee; Allie W. Young, Samuel E. Jones, Mott Ayres, Clem W. Higgins, John M. Lassing, W. A. Young, W. A. Lee, G. W. Ewart, Wilkes Morgan, individually, and as members of the Democratic State Executive Committee, of the State of Kentucky, defendants.

The plaintiff, C. M. Meacham, states that he is a citizen of the State of Kentucky, and legal voter therein, and is a member of a political party known as the Democratic party, and as such is entitled to vote and deliberate in selecting its officers and in nominating candidates for office; and is also a member of the Democratic State Executive Committee for the State of Kentucky, a voluntary, unincorporated, political association, and is organizing with headquarters and office in Franklin county and whose members are selected by the members of the Democratic party (a political body) in convention assembled and whose powers, rights and authority are derived only from the rules, by-laws and regulations adopted by the Democratic party in convention assembled. That the defendant, Allie W. Young, is a member of and a chairman of the Democratic State Executive Committee, and the defendant, Percy Haley, while not a member, is the secretary of said committee. That the other defendants, and the plaintiff are each and all members of the State Democratic Executive Committee.

The plaintiffs say that at the Democratic State Convention, held in Louisville, Ky., in June, 1899, that being a regular meeting, duly and regularly called and assembled, and being the supreme sovereign power of the Democratic party organization in Kentucky, the parties hereto, each and all received their appointment as Executive Committee members, and at the same time and place the party by-laws, rules and regulations were revised and readopted, and became thereafter the entire party law for its own government. At a convention subsequently held in Louisville, Ky., in June, 1900, and again at a State Convention held in Lexington, Ky., in July, 1900, certain amendments were adopted amending the rules and by-laws adopted in June, 1899. Plaintiff says that

The following is the entire party law in force and being on the party, and its members, and its committee in the State of Kentucky, and besides this there is no other rule, by-law and regulations.

There were inserted the Democratic party rules in full. Plaintiff says that by the provisions of these rules and by-law the Democratic State Executive Committee is given power and authority to fix the time and place for the assembling of a convention to nominate candidates for offices to be filled by the voters of the State at large; and are also authorized to fix the number of delegates thereto, based on the vote cast at the last presidential convention for the nominees of the Democratic party.

Plaintiff says that in so far as relates to the selection of party nominees for offices for the State at large, the Democratic State Executive Committee, and the members thereof, have no power or authority, except as above set out as being delegated to them by the voters, nor the plaintiff, nor the committee as a whole, were sworn by any officer authorized by law to administer an oath, to faithfully and honestly discharge the duties of such committee, or at all for any purpose.

Plaintiff says that there are now some 1,962 voting precincts in this State, and to hold said primary election it will cost for officers \$8,920 (estimated), \$2,000 for the lowest possible figure, nine dollars for each precinct, or \$17,658, for ballot-boxes, \$2 for each precinct, or \$3,924, and cannot be used, says, the public ballot-boxes are and will be in use, containing the ballots voted at the November election, 1902, and cannot be used, this primary; for ballots and notice of election (estimated), \$4,000; for rent of rooms in which to hold said primary (estimated), \$2,000; for booths, stencils, etc., to be used by the voters (estimated), \$1,000; a total necessary cost of at least \$28,882 to pay which the committee, and its members, individually and separately, as well as collectively, are and will be responsible, as under the law of the State the expenses of all primary elections must be borne by the political party calling same.

Plaintiff says that to meet this expense of holding the primary election the committee has provided for an assessment against the candidates for the nomination for the various offices above set out, and have provided that the payment of this assessment is a condition precedent to such candidates having their names appear upon the ballot to be used at such primary; all

Democratic party nominees for the offices of Governor, Lieutenant Governor, Attorney General, Auditor, Treasurer, Secretary of State, Clerk of the Court of Appeals, Superintendent of Public Instruction and Commissioner of Agriculture, and have provided for counting the votes cast therein by the County Democratic Committee of each county, and certifying the results to the committee, to be compared and counted by them, and the certification of the result thereof to the proper authority, by which certify the person receiving a plurality of the votes cast therein will be declared and certified to be the nominees of the Democratic party at the November election, 1903, for the different State offices above.

Plaintiff says that before entering upon the discharge of the duties of Executive Committee for the Democratic party in the State of Kentucky, and before the assembling of the meeting, or the determination to call said primary election, either one of the members, nor the plaintiff, nor the committee as a whole, were sworn by any officer authorized by law to administer an oath, to faithfully and honestly discharge the duties of such committee, or at all for any purpose.

Plaintiff says that to meet this expense of holding the primary election the committee has provided for an assessment against the candidates for the nomination for the various offices above set out, and have provided that the payment of this assessment is a condition precedent to such candidates having their names appear upon the ballot to be used at such primary; all

Mining investments afford the only way for people of small means to make a large amount of money. There are many companies in which stock was selling a few years ago at a few cents a share and are now worth from one dollar to one hundred dollars. Many homes and the increase of many incomes are the result of the purchase of a thousand or two shares in a mining company.

THE Consolidated Alpine GOLD AND SILVER MINING COMPANY.

Price of Alpine Stock Today is 35c per Share, Par value \$1.

\$ 35.00 Buys 100 Shares.	\$140.00 Buys 400 Shares.
\$ 70.00 " 200 "	\$175.00 " 500 "
\$105.00 " 300 "	\$210.00 " 1000 "

Stock in the Famous Lamartine during its early days could have been bought for what Alpine is selling today. Now it is out of reach and cannot be bought at any price.

All that has been Accomplished by the Lamartine can be duplicated by the Consolidated Alpine, which adjoins the Lamartine.

Price of Alpine stock today on the Installment plan is 36c.

\$ 6.00 Down and \$ 5.00 per month for 6 months buys 100 Shares.	
\$ 7.00 " " 5.00 " 13 " " 200 "

\$18.00 " " 9.75 " 24 " " 700 "	
\$36.00 " " \$12.00 " 24 " " 1000 "	

The above schedule of installment terms will be modified to suit the purchaser with the exception, that \$5.00 is the lowest cash payment and \$5.00 the lowest monthly payment that can be applied to any new stock of stock, and that twenty-four months is the longest period of time.

It is understood that should payments lapse, stock will be issued in even fifty shares for amount paid in at the then selling price of stock. Unpaid stock does not participate in dividends.

WALTER F. GARNETT & CO., Fiscal Agts., HOPKINSVILLE, KY.

Extract from the Report Made by Mr. C. H. Bush, of Hopkinsville, Ky., to His Club, Sept. 1, 1902:

"From the appearance and testimony of old miners who have worked in other mines that were successful, I got a decided impression that the prospects of the Alpine are good for large, not inexhaustible quantities of good ore, and to such an extent as to make it a profitable investment. I feel warranted in giving that opinion about it. The Alpine is located near the famous Lamartine, and it is claimed of a parallel vein, and it is urged by those who have worked in both mines that when thoroughly developed will produce as good ore and in as great abundance." "THE MOCKING BIRD"

Septimus Winner, Its Author,
Dead in Philadelphia.

Was Author of Many Books On
Musical Instruments And Arranged Compositions For Violin.

Septimus Winner, composer of "The Mocking Bird," and hundreds of other popular songs, died suddenly Sunday at his home in Philadelphia. He was 76 years old.

Mr. Winner was the author of 200 technical books on musical instruments and arranged over 2,000 compositions for the violin and piano. He also possessed considerable poetic ability, one of his works completed recently being "The Cogitations of a Crank." Mr. Winner was a frequent contributor to Graham's magazine when Edgar Allan Poe was editor of that publication. One of his compositions, "Give Us Back Our Old Commander," written after the removal of Gen. McLean, is said to have threatened the disruption of the military forces and its publication was stopped by the Government.

Mr. Winner sold the "Mocking Bird" for \$35, but the publishers years later admitted having realized \$3,000,000 from its sale.

BARRED FROM SCHOOLS.

Dark Brunette of French Descent
Refused Admittance on Account of Her Color.

Evansville, Ind., Nov. 26.—Little Mabel Smith, aged twelve, who was denied admittance to the schools of this county, has been refused admittance to the public schools of Hawesville, Ky., on the ground that she has colored blood in her veins, and as a result a law suit has been filed. The case promises to be an interesting one, and is watched by the attorneys of two states.

Several months ago the Smith girl lived at the Christian Home in this city. She is of French descent and very dark. When she started to enter the Blankenburg school there was a howl raised, and the matter was taken to the city school board Blankenburg being a suburb of this city. All of the patrons of the school withdrew their children and refused to send them back until the Smith girl was taken away. The school board, after several days investigation, concluded the girl had no colored blood in her veins, but it was understood she was to be taken away for the future peace of the school.

The matron at the Christian Home secured a home for the girl with Capt. and Mrs. W. D. Crammond, at Hawesville. The Crammonds are among the most prominent people in Hawesville, the former owning several steamboats. A few days ago, when a request was made to have the Smith girl sent to the city schools at Hawesville, the school board raised an objection, and the Crammonds at once employed W. L. Morrison, of Owensboro, to bring suit against the school board. Capt. Crammond has given out the statement that he will fight the case to the end, as he feels like a great injustice has been done the little girl by two states.

Uncross Your Legs.

"Uncross your legs," said a doctor.
"Oh, no!" said his son. "What's the use of being so polite all the time?"

"My, by," the father answered, "it is not on account of a mere rule of etiquette that I tell you to uncross your legs; but it is because leg-crossing is an injurious thing, a thing as baleful to the health as kissing or as microbes."

"When you cross your legs you fit the keap of the upper limb into the cavity under the knee of the lower one. In the cavity that you thus compress there are the two important exterior and interior popliteal nerves, and a number of glands and blood vessels. Compression does not act well on these organs. It benumbs them and weakens and emaciates them. You feel the injury to a numbness of the whole leg—the leg goes to sleep. "Keep on with the habit, and your legs weaken. They become thin. They lose their shapeliness. It is only such men and women and children as never cross their legs who have strong and supple and beautiful limbs."

RHEUMATISM.

It used to be thought that rheumatism was a disease of the bones. Now we know that it is a disease of the blood. If rheumatism is to be cured it must be cured through the blood.

Dr. Pierce's Golden Medical Discovery cures rheumatism, because it purifies the blood from clogging and corrupting substances. It removes the cause of disease. Its effects are the same when the impure blood causes pimply eruptions, boils, sores, etc. It is the perfect purification of the blood "Golden Medical Discovery" removes the cause of disease, and gives the smooth clear skin which belongs with good health.

"I cannot praise your medicine too highly," writes Mr. James E. Cramp-ton, of Sharpsburg, Washington Co., Md. "I was in business in Baltimore and had rheumatism for three months couldn't walk at all. I tried the best doctors I could get but they did me no good. I took three bottles of Dr. Pierce's Golden Medical Discovery and it cured me sound."

RING RULE RAMPANT.

The Beckham Machine, well greased and in charge of experienced engineers, put through its well laid scheme and attempted last Tuesday to order a primary election. The game for the present is blocked in the courts by injunction proceedings. The lawsuit at which the usurpation of authority was ordered, was held Monday night with Beckham present to direct it in person and outline a plan to brace up one or two doubtful members who were to arrive the next day. Only Chairman Young, Jones and Lansing were present of the committee. The others were told next day what they were expected to do and the program was put through without a hitch.

The committee met in a room about 18x20 feet in the building where Morrison one conspiracy has been hatched, and an executive session was ordered. Everything was cut and dried and the only opposition was from Ringo and Meacham. Mr. Ringo is a Beckham man but found the deal too raw for him. One of the speakers intimated that the only opposition came from a member whose support had not been bought with patronage, or as he put it "who had failed to get something."

Mr. Lansing and one or two others were sent out to bring in the "report" that nestled even then in Mr. Lansing's pocket. It came back without delay and was voted upon as a mere matter of form. The machine had now filled all the morning that the thing was all settled. Mr. Lansing incorporated in the order for a primary a lot of whereases, apologizing for the usurpation of authority and defending the machine methods adopted. The "call" then was as follows:

First—That a primary election be held in the various voting precincts throughout the State of Kentucky on Saturday, May 9, 1903, between the hours of 6 o'clock a. m. and 4 p. m., Standard time, for the purpose of nominating Democratic candidates for the various State offices to be filled at the regular election in November, 1903.

Second—That for the purpose of arranging in detail all matters pertaining to the conduct of said primary under the State law, such as printing and posting legal notices, the manner of appointment of election officers, securing suitable rooms in which to hold such election, printing and distributing the ballots, determining the cost of holding such primary and apportioning the same among the different candidates for the various offices and doing all acts and things necessary to the end that the party may have a fair expression of its choice among the candidates for

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. the various offices and that a fair, honest and economical primary may be held, a subcommittee consisting of three members of this committee, the chairman and two others to be appointed by him with the approval of the committee, is hereby appointed and given full power to act and do all things necessary in the premises. Said committee shall make all necessary arrangements for said primary and report its action at as early a date as it can, considering the nature and extent of the business to be done, not later than January 15, 1903.

Third—That at said primary the candidate receiving the highest number of votes cast in the race for the office for which he is running shall be declared the party nominee for that office, and in the event of a tie for any office, the tie shall be determined as the law directs.

Fourth—In said primary election all known Democrats of lawful age and such Democratic youths as will be of lawful age at the regular November election, 1903, shall be entitled to vote.

Mr. Ringo pleaded for a calendar Chairman Young said "any date will do" intimating that no change would be made. Ringo and Meacham voted for August and finally against the whole thing.

Jones, Ayers, Huggins, Lansing, Lee, Morgan, W. A. Young and Roark voted for the primary. Mr. Roark said he was opposed to the primary, but his constituents demanded his vote for it. Others whose constituents opposed it, usually made no explanation.

Chairman Young, Lansing and Ayers were named as a subcommittee to do the rest.

The primary plan was opposed by all of the candidates except those who expect to get on the machine slate. Where the slate is lacking, new men will be brought out, notably for Lieutenant Governor and Attorney General.

The committee agreed to fix a limit of \$20,000 on the expense, although they claimed \$16,100 as the maximum expense, or \$8.20 to the precinct. The officers are allowed under the law \$8 for serving and the sheriff \$1 mileage, (average) this item alone exceeding the entire allowance.

The qualifications clause permits all "good Democrats" to vote, whether they are registered or not, thus coming in conflict with the State law.

It provides for the use of the county ballot boxes, when they cannot be lawfully emptied of their contents in time for the election to follow. In other words, it is not six months from May 9 to November 3, and the boxes used to contain the ballots for six months after May 9. This will make it necessary to get 1,902 boxes at somebody's expense.

Other legal rules set forth are contained in the restraining order elsewhere in this issue.

The primary, if held, will be under the entire control of Beckham partisans, backed up by the most unscrupulous political buccanniers in Kentucky. They will travel over the State at public expense to fix up things, distributing money and patronage wherever needed to carry out their plans to force Beckham on the Democratic ticket and invite defeat for the party. The plan may or may not succeed.

The following gentlemen are mentioned as probable candidates for the Democratic nominations for state offices.

Governor—Cripps Beckham.
Lt. Governor—Charlie Poyntz.
Auditor—S. W. Hager.
Treasurer—H. M. Bosworth.
Attorney Gen.—Bob Franklin.
Sec. State—Harry McKeeney.
Clerk of Appeals—Morgan Chinn.
Supt. Schools—Ben Watt.

Kentucky went Democratic this month by 35,000 votes with 200,000 votes staying at home. It is the zealous voter who does the voting. Beware of offense to the 200,000 indifferent and independent voters who may live in politics next year.

COLD WAVE

Came in Time to Make Coal Men Thankful.

Holiday Generally Observed in the City—Union Services Held.

The first cold wave of the season made its appearance yesterday. The day was ushered in with the first snow this winter, which came in striking contrast to the delightful weather we have had for weeks.

Thanksgiving Day was generally observed in the city. The banks were closed and the postoffice observed the day. Many business houses were closed a part of the day. Union services were held at the Tabernacle in the morning, which was largely attended. The sermon for the occasion was preached by Rev. J. L. Wyatt.

In the country but little attention was paid to the day, except that "big dinners" were everywhere enjoyed. It was the first "hog killing" weather of the season and many farmers whose hogs were not sold and corn supplies short, availed themselves of the good opportunity to stick the porkers. From now on things may be expected to settle down upon a winter basis.

OLDEST PERSON

Of Warren County Dies While Visiting Nortonville.

Mrs. Elizabeth A. Ruddell, of Warren county, died at the home of her daughter, near Nortonville.

Mrs. Ruddell was the oldest person in Warren county, being 92 years old. When she left home she was in the best of health, and made the trip of seventy miles without apparent fatigue. Some days ago she was taken ill and grew worse until the end came.

Mrs. Ruddell had a remarkable memory. She was five years old at the close of the war of 1812, and remembered many incidents of the war. Her stories of the early days in Tennessee, Kentucky and North Carolina were very interesting. At the time of her death her hearing and eyesight were good, and she was about as active as most women fifty years younger.

of which plaintiff says is illegal and wrongful, and is contrary to provision of the State Constitution providing that all elections shall be free and equal, as well as contrary to the law of the State regulating primary elections, which provides that the expenses of holding such primary election shall be paid by the political party holding same. Plaintiff says that as a member of the Executive Committee, aforesaid, and in said meeting aforesaid, he did protest and vote against the calling of such primary election, because it was beyond their power, either under the rules and by-laws of the Democratic party or under the law of the State, and was ultra vires the body, but that the defendants have, notwithstanding the protest of plaintiff, and in furtherance of said agreement and combination, assumed the power, and have as a body determined to issue the call for such primary election, and will, if not prevented by injunction, order and hold said primary election at the cost of the sum of \$25,000, and will, if not prevented, more or less, and their share of which, plaintiffs will be liable to pay.

Plaintiff says that by this action of calling a primary election instead of a convention the Democratic party will, in the year 1903, be prevented from selecting the successors to the present members of the State Executive and State Central Committees, and will be prevented from promulgating a platform or declaration of principles as its propositions of political economy for the government of the State.

All of which acts of defendants as Executive Committeemen for the Democratic party of the State of Kentucky in calling said primary election or declaration of principles to the best interests of the political organization, and destructive thereof, and beyond that are in excess of and ultra vires the power of the said committee, either under the by-laws, rules and regulations of the party organization, as delegated to it, or under the law of this State providing for holding primary elections.

Plaintiff says that by the calling of this primary election, as has been agreed upon, and the holding thereof under the call, in pursuance of said combination, confederation or declaration of principles, said great and irreparable damage and injury will be done to the Democratic party organization, and to this plaintiff, in that he will be chargeable and rendered liable to pay the whole, or a proportionate part of the expenses of said primary election aforesaid, for which he will have no legal right to compel repayment from any person or persons; and will be further damaged and injured and rendered odious with his party associates in the Democratic party, in that it will appear that this plaintiff as a member of the Democratic State Executive Committee has entered into an agreement and combination to usurp, and has usurped and assumed powers and authority not delegated to him, or to the committee, and has aided in the calling and holding of an illegal primary election for the selection of party nominees for State offices. All of which will tend to render him odious, infamous, repulsive, unpopular and detestable to his party associates in the Democratic party, and thereby cause him irreparable injury.

Plaintiff says that no injunction has ever been asked for granted or refused in this behalf by any court, or Judge thereof, in this State.

Wherefore, plaintiff prays for an injunction preventing the defendants, or either of them, or all of them, from issuing, publishing or giving out in speeches the facts that a call for a primary has been made, or from holding, or attempting to hold, such primary election for the purpose of nominating candidates for the offices of Governor, Lieutenant Governor, Attorney General, Auditor, Treasurer, Secretary of State, Clerk of the Court of Appeals, Superintendent of Public Instruction and Commissioner of Agriculture, or for either of said offices, and on account of the irreparable injury and damages to plaintiff, and to the Democratic party, and an injunction pendente lite is asked, and on final hearing for a perpetual injunction, and for their costs and for all proper expenses.

Affiant, C. M. Meacham, says that the statements contained in the foregoing petition are true, as he verily believes.

Company Doing Tremendous Business Wherever It Plays.

If even half of the good reports that have reached here concerning the Grace Camer Opera Company, that under the direction of Fred C. Whitney will present "A Normandy Wedding" at the Opera House on Friday evening, Nov. 28, are true, all lovers of beautiful, tuneful music and clean, wholesome comedy as interpreted by what is said to be a really remarkable clever lot of comic opera artists, will do well to place their orders for seats early, for reports have it the company is doing a tremendous business wherever it plays. Some of the artists of the organization besides the star, Miss Grace Camer, are: Harry Brown, the well known comedian, William Herbert, the famous barytone, Miss May Cressey, the popular soprano, Miss Daisy King, the clever soubrette, Miss Genevieve Reynolds, the inimitable character actress, Stephen B. French, Jr., a young comedian of unusual talent, and a large company of handsome young women who can sing as well as look pretty. The choruses and ensemble numbers have been especially commended by the critics wherever "A Normandy Wedding" has been heard.

"SIDE TRACKED."

Popular Play to be Presented Here Monday Night.

Jule Walters' comic play "Side Tracked," which is now in its fourteenth year of prosperity, will be presented at Holland's Opera House Monday night, Dec. 1. "Side Tracked" is described as a pure comedy with beautiful scenery, strong mechanical effects and many clever specialties. The play has been rewritten and is virtually new except the stronger comedy points; even the stage settings are changed. The first act showing a railroad station in a small town, with a grain elevator and a water tank out of which the Dutchman gets a cold water bath, much to his disgust. At the finish of the third act the tramp makes a thrilling escape on a cow catcher.

"Of all the shows I have ever seen there is none I like so well as 'Side Tracked.'" This is the general comment by the theatre going public. "Side Tracked" is a show that will attract you any time during the performance. If you should come late you see something at once that will make you laugh and interest you: You don't have to rack your brain to follow the plot to be amused. Enjoyment is what the public is after and you will certainly find it in this play. Any comedy that will stand the test for fourteen years like "Side Tracked" has done and still be more popular than ever is in itself the best recommendation any one could wish for.

Rev. Iri R. Hicks' 1903 Almanac.

To say that this splendid work of science and art is finer and better than ever, is stating it mildly. The demand for it is far beyond all previous years. To say that such results, reaching through thirty years are not based upon sound sense and usefulness, is an insult to the intelligence of the millions. Prof. Hicks, through this great Almanac, and his famous family and scientific journal, Word and Works, is doing a work for the whole people not approached by any other man or publication. A fair test will prove this to any reasonable person. Added to the most luminous course in astronomy for 1903, forecasts of storms and weather are given, as never before, for every day in the year, all charmingly illustrated with nearly two hundred engravings. The price of single Almanac, including postage and mailing, is thirty cents. Word and Works' with the Almanac is \$1.00 a year. Write to Word and Works Publishing Co., 2201 Locust Street, St. Louis, Mo., and prove to yourself their great value.

COLONISTS FOR LIBERIA.

Three Hundred Negroes to Sail
January 20.

Savannah, Ga., Nov. 25.—D. J. Plummer, agent of the Liberian Colonization Society of Birmingham, is here arranging for the sailing from this port on Jan. 20 next of three hundred negro colonists for Liberia. The steamship Donald, of New York, he says, has been chartered. Plummer was formerly connected with the International Migration Society that sent two shiploads of negroes from this port to Liberia.

He said to-day that all arrangements had been completed, and that nothing now remains but to bring the ship here and congregate the passengers.

Plummer went to Liberia with the crowd on the steamship Lorada, and he says that fully 85 per cent. of the negroes carried on that steamer and the steamship Hora are perfectly satisfied with their new home and surroundings.

VOTING CONTEST.

The Most Popular Lady in Christian
County to Be Determined By Ballot.

The Winner Will Be Awarded a Set
of Furniture worth \$110.

A VOTING contest was begun August 29, for four months, to determine by popular vote the most popular lady in Christian County. To the lady receiving the highest number of votes, we will present an elegant set of bedroom furniture, now on exhibition at Pyle & Gaett'. It is of quartered oak, of the finest make and latest style, and is worth \$110. The contest will close at 12 o'clock, noon, Monday, December 29, 1902. The plan will be as follows:

Every subscriber to the Kentuckian who pays back dues or cash in advance will be entitled to cast one vote for each five cents paid. That is to say, a subscriber who pays \$2.00 will have 40 votes, one who pays \$1.00 will have 20 votes and so on for any amount large or small. In every paper published there will be a coupon and these coupons when cut out and brought or sent to the office will represent each one vote. A subscriber will also have the privilege of gathering up coupons clipped by friends from their papers and voting them one at a time, or by the hundred if preferred. One will also have the privilege of buying papers at the office at five cents each and voting the coupons cut from them.

The coupon ballots will be deposited in a ballot box with two keys. One of these keys will be held by County Judge W. T. Fowler and the other by Mayor Jouett Henry. The box will be opened not oftener than once a week, all ballots then in it taken out, counted and certified to, sealed up in an envelope and replaced in the ballot box. The envelope will contain a statement of the votes in it, so that its contents will not need to be counted again until the official count at the close of the contest.

The last week of the contest the ballots may be deposited without showing them, so that the close of the contest may be secret and exciting to the end.
